

Name: _____

Period: _____

Tue, Feb 10 (Pd 1, 6) / Wed, Feb 11 (Pd 4)

Warmup

Write a **paragraph** explaining how the words *work*, *kinetic energy*, and *potential energy* apply to this situation:

Joe is at a ski resort at the bottom of the mountain. He rides the ski lift to the top of the mountain. He gets off at the top, stops for a moment to admire the view, and then he skis down the mountain back to where he started.
