

Name: _____

Period: _____

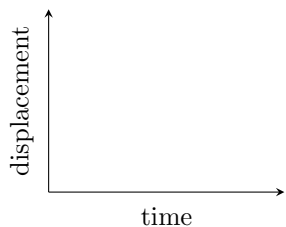

Fri, Aug 21

1. Consider the following graph which depicts the motion of a cat prowling along a fence.

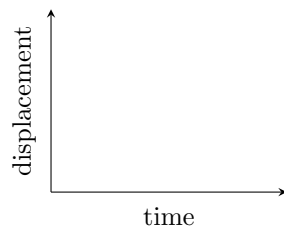

- (a) What is the cat's **velocity** between 1 and 2 seconds?
- (b) What is the cat's **velocity** between 2 and 3 seconds?
- (c) What is the cat's **velocity** between 3 and 5 seconds?
2. Draw the following displacement-time graphs.

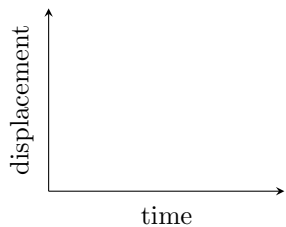

- (a) Backward, constant speed

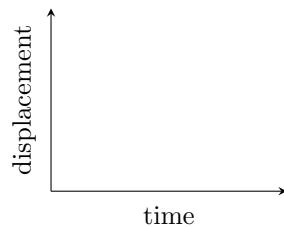

- (c) Backward, speeding up

- (b) Forward, speeding up

- (d) Forward, slowing down
